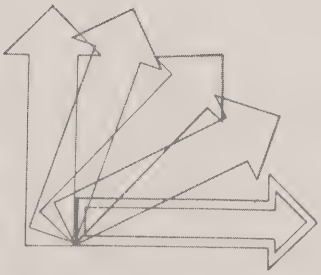
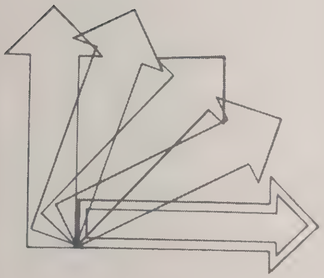
OF OUR
NEW
DIRECTION





A LEADER IN THE NEW DIRECTION

The Senior Class warmly dedicates the 1967 Academy Bell to Mr. Anthony B. Robinson, a teacher who has spent four years at Monson Academy, all of which he has faithfully devoted to the improvement and progress of the school and its students. His friendly guidance has always been present when we needed it, and his pleasant personality has lent a congenial note to the Monson community. He has taken an active part in our lives outside the classroom as well as within. As an educator and more importantly as a human being, his example has led us in new directions toward higher goals both as students and as citizens.

HISTORY

Contrary to the origins of most independent schools, Monson Academy owes its founding to the cooperative efforts of many people and not a mere single individual.

It was the Reverend John Willard, who joined with others in arousing public interest to the point of obtaining a state charter for the school's founding. This charter was passed in 1804 and was followed by the first Academy building which was opened in 1806.

The first Headmaster, Simeon Colton, who left after his first year in 1807, returned in 1821 and remained for nine years. This was Monson's beginning as a truly outstanding school.

In 1835, Charles Hammond, entered the now growing New England Academy and returned in 1839 to serve twenty-four years as principal.

The physical plant of the school increased with the student body. The first dormitory was constructed, in 1819, near the present site of Cushman Hall, and five years later the first laboratory was erected. The site of the old laboratory, one of the first in the country, is now occupied by the Holmes Gymnasium. In 1845, Dr. Hammond had the entire school renovated and modernized.

The Civil War caused a temporary closing of the Academy in 1862, but it reopened the following year after two additional wings had been added to the old building. A disastrous Fire in 1886 completely destroyed the old Academy Hall.

Later in the year 1886, a more substantial granite and brick building was erected. The Holmes Gymnasium was constructed in 1900 and four years later, Cushman Hall. An older dormitory, Hammond Hall, was at the same time torn down to make room for a Headmaster's residence, Hammond Place. Cushman Memorial Field was given in 1911 by Edward C. Cushman.

At the termination of the First World War the town of Monson erected a separate high school. The Academy was again temporarily closed in 1923, while arrangements were made to revert to the status of a century before. During the next two years the trustees granted the use of the Academy buildings to the town for use as a high school. Monson Academy was proudly reopened, in 1926, as a preparatory school for boys, under the new Headmaster Mr. Bertram A. Strohmeier. At this time an additional dormitory, Morris House, was deeded to the Academy. Mr. Strohmeier was succeeded in 1935 by Dr. George E. Rogers.

In 1947 the Academy acquired two additional buildings, Chapin House and Holmbrook. The Academy constructed the new Cushman Memorial Field, in 1948, which replaced the old field destroyed in the 1938 hurricane.

On February 23, 1953, a disastrous fire swept Academy Hall. Plans were immediately formulated to replace Academy Hall. It was decided that the new location would be at the top of the hill on High Street. The new modern Academy building, called Alumni Hall was officially dedicated on the occasion of the school's sesquicentennial celebration on October 9, 1954.

The Board of Trustees purchased the large house and property just north of Alumni Hall, in 1956, for use as the Headmasters residence. Hammond Place was then converted into a dormitory.

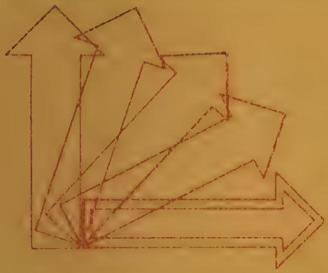
Four new tennis courts were constructed behind Holmbrook in the spring of 1962. In the fall of that year, the Harper Gymnasium was completed. In the autumn of 1963, an addition to the rear of Alumni Hall was ready for use. This addition was made possible through the generous gift of Mr. and Mrs. Earl T. Harper. The new wing consists of four classrooms, one of which is an excellent foreign language laboratory, and a faculty lounge. The dedication of the addition took place on October 5, 1963.

In 1965, the Alumni proposed the construction of a new library addition to Alumni Hall; ground breaking occurred in the spring of 1966. On October 1, 1966, the completed library was presented to the Trustees of the Academy by the Alumni Association. The new library has a capacity of 10,000 volumes and a reading room capable of accommodating 36 students.

On November 4, 1965 Dr. Rogers announced his retirement as Headmaster after 31 years of faithful service. The appointment of Mr. Arthur F. Tuttle, Jr. of DeLand, Florida was announced in March of 1966.

Under the able direction of Mr. Tuttle, Monson Academy has continued to prosper and move ahead vigorously. The past has provided a strong foundation upon which to build, the present has been the framework emerging upward, the future holds a vision of a completed structure designed for the needs and desires of tomorrow's youth.

SENIORS



As seniors we stand on the threshold of an exciting future. We have been shown the way by the leaders of youth: our parents, teachers, and advisors. But tomorrow will bring a new generation of leaders: the seniors of 1967 will be the leaders in the new directions of the 70's and beyond. It is we who will explore the planets, the inner limits of the mind and countless other realms. It will be we who discover new ways to make life better . . .

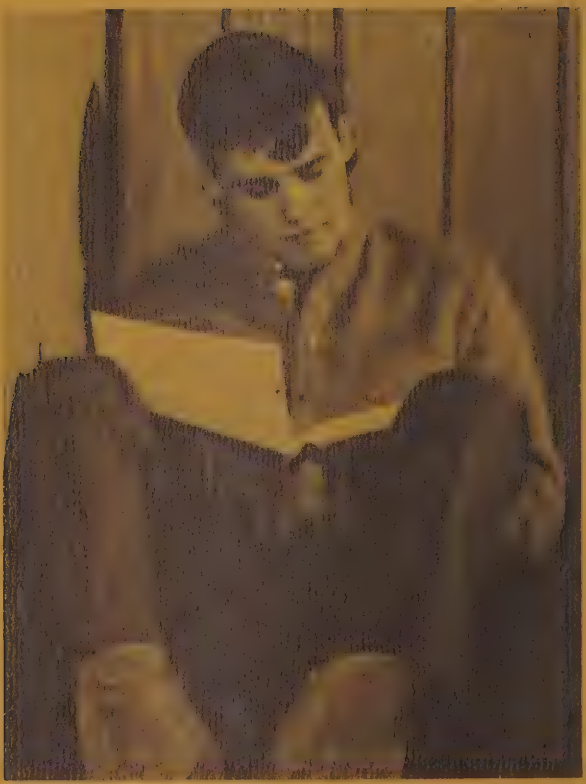


TABLE OF THE

A SENIOR

A senior is a boy grown man,
A novel blend of sea and sand,
A powerful wave of hope and light
Dashing forth with force and might.

A senior is a storm of moods,
A voluminous surge of solitudes,
A catalyst of activation
Rushing toward an aspiration.

A senior is a tide of thought . . .
A fluctuant ebb of knowing not,
A continuous current of pain and doubt . . .
Chaos, confusion ensuing throughout.

SENIOR CLASS OFFICERS

President—Robert P. Vivian Jr., Vice-President—Charles R. Anderson, Treasurer —Mark J. Pekala, Recording Secretary—Steven I. Weiss, Corresponding Secretary —Joseph P. Goldys.

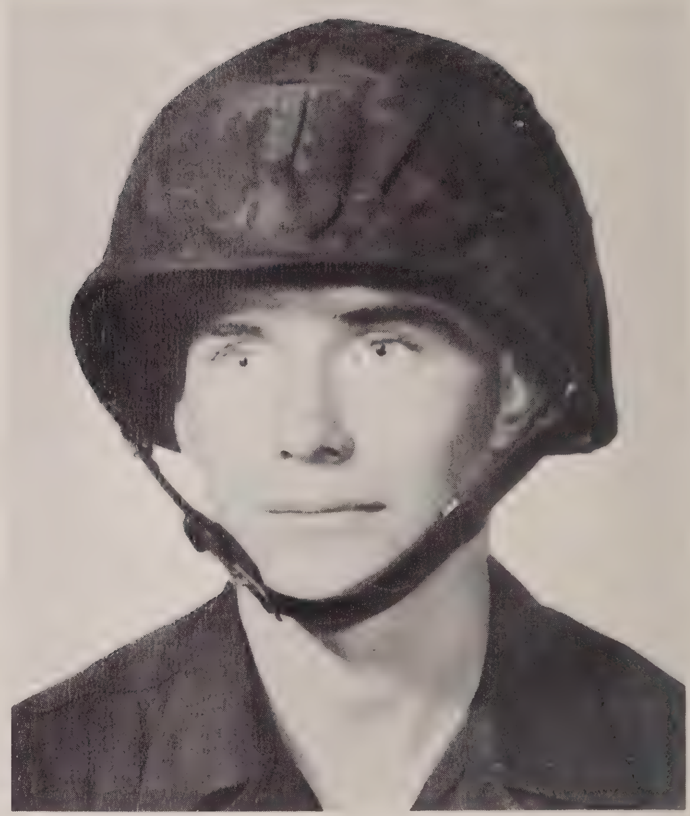
As seniors we will all be moving on toward greater and more challenging pursuits. Monson Academy has been an important stepping-stone in our journey toward these pursuits.

The Academy has offered us a wide spectrum of experiences. Although intellectual growth is the main purpose of a school such as ours, we have grown spiritually and physically as well. We are all more aware of our individuality now than we were when we first entered the doors of the academy.

As students we have considered graduation from Monson as an end in itself, but it is only the beginning. The challenges that will appear before us in the future will seem insurmountable when compared to those we have faced so far. The benefits we have received at Monson, however, will dwarf these challenges and lead us on to successful and richer lives.

Senior Class Officers, with advisers, Mr. Norman Pouliot and Mrs. Mildred Meacham.

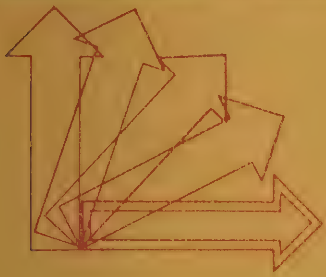
IN MEMORIAM



Dedicated to
CPL. MICHAEL JOHN SCANLON
Class of 1965
KILLED IN VIET NAM

Winner of the Frank Chapin Cushman Award for possessing the high ideals expressed in the memorial: "live clean, speak true, work hard, play fair" in 1965, Michael Scanlon continued to live by these ideals as an alumnus. He applied for, and through a special dispensation was allowed to enter, the United States Marine Corps. In his capacity as a marine, he lived up to and beyond every expectation, often volunteering for dangerous duty. His final sacrifice makes us proud that he was a Monson Alumnus exemplifying the motto of the Academy "Ready for my Country."

ADMINISTRATION



The administration, faculty and staff at Monson have been an inspiration to us; new and better ideas have sprung from these dedicated men and women who guide toward our destinations. It is impossible to grasp how important their work and example will be to the present students of the Academy in future years. They will assuredly be one of the major factors in our later successes in life.

IN MEMORIAM

EDWARD I. BEYER

Many of you have known Mr. Beyer far longer than I have, and some of you have known him far better than I have, but only a few of you will remember him more vividly than I will. In any case, see him for a moment through my faulty eyes and remember him always as you know him best—as teacher, as colleague, as father, as friend—devoted always to the people who make up this school.

When we arrived at the Academy this summer, he was one of the first to say "welcome". Though not on duty, he dropped by the office regularly "to see if there was anything he could do". He invited us into his home. He was fond of our—and all—children.

He volunteered to serve as secretary of the faculty. He calmed our sessions with his wisdom. His wit sharpened our perspective. He came into the office every morning to say **"Good Morning",** and this greeting meant something special to him—not that it was just morning but that every morning was **good,** that life was **good,** that life had **meaning** and **purpose,** and that each person was important as a person, as a separate, sacred being of great value. This affirmation of his deep, simple faith he made every day I knew him and that only 210 days of the more than 25,000 days he made that same statement of faith to you and the others he knew before he knew us.

What disturbed him most on the first day of the winter term when he was told he was diabetic was not the illness and the added danger to his health, but the fact that in going to the hospital for tests, **he would miss the first week of his classes.** He had a sense of commitment to his teaching and to his **duty** in the community—a sense of rightness, of fairness, and of justice that most of us lack.

Some of you boys know how kind he was when you were sick, or homesick, or depressed. Some of the faculty and people in town know what a friend he was when they were sick or broke.

And all of us know that he never complained, that he never saw the worst in a person without believing in the best, even when the best in some of us is so carefully camouflaged.

Even better than the drugs he knew so well, he knew that **the first shall be last, and the last shall be first.** May he be first now in our minds and our hearts as he takes the place prepared for him in the Kingdom of Heaven.

The Class of 1967 warmly dedicates these pages of its yearbook to Mrs. Laura W. Keith. Mrs. Keith has served as our school librarian for many years. It is our loss that Mrs. Keith will be retiring this year from that position to become school historian and librarian emeritus.

In the library, Mrs. Keith has always been willing to give of her time and talents to the cause of educating Monson students. She has also given much of her time in assisting the office staff in their many functions.

In April, at Alumni Day exercises, Mrs. Keith was awarded an honorary membership in the Alumni Association officially making her ''one of us'', a title which she has held in our hearts for many years.

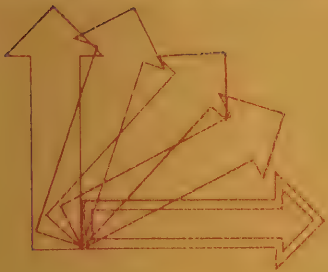
SPORTS



Sports this year have occupied an important part of our extracurricular life. Both the coaches and players agree that their time spent in athletics has been rewarding to them. As always, the highest standards of teamwork and fair play have been stressed. The highlight of the sports year was undoubtably our undefeated football team and their hard fought victory over Lenox. The other teams also deserve credit for their fine showing at all times. This year athletics have shown us the way to becoming more fulfilled persons. Whether in victory or defeat, we have always upheld our standards as fine sportsmen.

Co-captains, Trask and Weiss

Varsity Football

The dream of all players and coaches became a reality when the Monson Academy football team completed its first undefeated season in eight years on November 12th. The win enabled Monson to capture the number one rating in New England Prep Schools.

The Lion's offense featured the running of co-captain and fullback, Ronald Trask and halfback, William Polopek. Wingback, Lee Askin and quarterback, Michael Symmonds completed this year's winning backfield.

Praise must also be extended to the offensive squad. Co-captain and end, Steven Weiss proved to be a contributive member of the team. Seniors Charles Anderson, Milton Hoos, Maynard Foster, and Michael Joseph, playing their first year of varsity ball, also met the challenge with enthusiasm and ability. Finally, credit should also be given to Joseph Paquin, guard, and David White, linebacker, for their drive and spirit.

Tony Pikul, center halfback

Pikul awaits ball

Bill Tobler, fullback

Monson fights for ball

VARSITY SOCCER

The varsity soccer team's record at the end of the season was 4–5–2. The loss of Lavoisier Tubman in the first game caused the team defensive problems. However, Coaches Harrell and Hathaway developed a modified defense using the center halfback as an extra fullback compensating for the loss of the center half by playing the team in "T" formation. The team finished a respectable season with the fine playing of David Howland, David Mitowski, Wayne Strycharz, Gary Johnson, Mark Pekala, Bruce Tower, and co-captains, Anthony Pikul and Bill Tobler.

Lalli's dangerous jump shot

VARSITY BASKETBALL

The basketball season ended with a record of 5 wins and 7 losses. The losses against Cranwell, Mt. Hermon, Suffield, Marianapolis, Williston, Wilbraham, and Kingswood were hard-fought contests. The lack of height gave the Monson team a great disadvantage. Therefore, the team was forced to rely upon speed, skill, and agility to win against other teams. The wins of 67–60 against Lenox, 97–79 against Watkinson and the exciting 63–60 victory over Cushing, never before defeated by Monson, illustrate the closeness of each contest.

Due to the capable coaching abilities of Mr. Carey, the team developed its strengths and minimized its weaknesses. Although one of the most important factors determining Monson's prowess was its teamwork, many individuals have indicated talent and skill on the court. Tom Levanti proved himself a fine asset to the team by rebounding. Also, Tim O'Reilly exhibited skill by rebounding and scoring. Furthermore, Pete Lalli gained points for the team, and his exceptional ability in handling the ball gave Monson pass receivers a clear advantage. The other two members of the starting five, Bill Polopek and Joe Borlikoski were excellent defensive players and showed their ability particularly in the last seconds of the game.

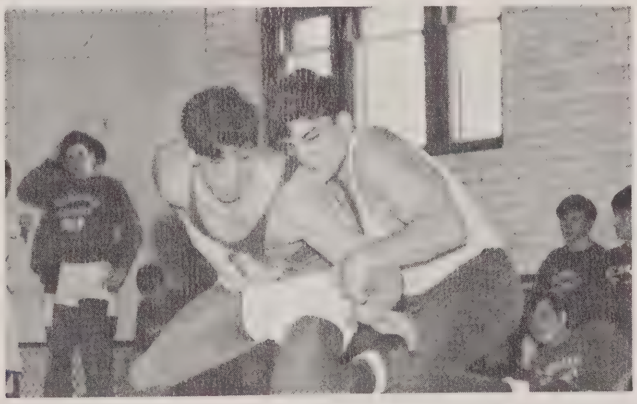
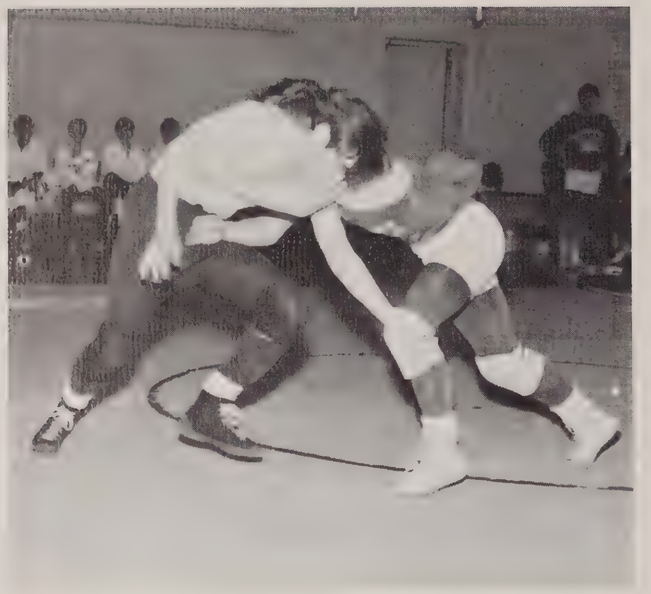
Tony Pikul, captain



Morales breaks opponent down

Strycharz turns his man



Clifford moves into a switch

The 1967 varsity wrestling team began its season with eight returning wrestlers, five of whom were medal winners of last year's tournament. With the returning wrestlers came a new coach, Mr. Davenport, who aided Mr. Cardone.

The season began poorly with defeats in the first two matches. These came at the hands of Williston and Pomfret with scores of 24–22 and 31–15 respectively.

The first win of the season came against Suffield. In this match there were six individual wins with the first score 31–16. The next match against Darrow went the same way. Victories were gained against Marianapolis, Avon Old Farms, Cushing, Worcester J.V. The Worcester J.V.'s fell to the Lions at the fantastic score of 56–0 with 10 pins and two decisions.

At the tournament, Monson, despite its injuries to Bill Tobler, Wayne Strycharz, Steve Weiss and Charlie Anderson, came in fourth in a field of tough competition. A total of 58 points were compiled; only twenty points behind that of the winners.

Losses at the end of the season were to Lawrence and Wilbraham, with the final record standing at 7–4.

There were many outstanding individual efforts seen over the season. Mark Pekala and Tony Pikul finished undefeated in the regular season. Other fine performances were exhibited by Craig Auchter, Robert Strohmeier, Lonnie Allen and Mike Symmonds. Senior lettermen Bruce Tower, and Bill Tobler both ended with fine records.

It is interesting to note that since its initiation at Monson, the sport of wrestling has risen to the most popular of the winter term.

RIFLERY

(1st row)—Young; Symonds; Margolis; Milardo **(back row)**—Gustafson; Hoos; Tubman; Vivian; Lorenz; Richard; Mr. Goldstein, coach

Ready . . . Aim . . . Fire!

Riflery

Monson Academy has, in the basement of Harper Gymnasium, one of the finest rifle ranges in New England. The guns used are .22 caliber specially equipped with accurate sights for target shooting. Unlike many others, riflery is a very exact sport.

The team's first match of the season against Mount Hermon handed Monson its first defeat. The first victory was against Williston, its traditional rival. The season ended with a 3–7 record.

Though Monson planned on remaining strong, other teams had become stronger enabling them to pluck victories from the surprised Monson team. Mr. Goldstein, with the experienced assistance of Mr. Morrow, has helped the team improve greatly as illustrated by the fine shooting of Carl Lorenz, Walter Milardo, Joel Margolis, Carl Gustafson, Mike Symonds, and David Young.

Terry Sloane, goalie

White steals the ball from Choate offense

LACROSSE

(1st row) Burdon; Frye; Morales; King; Donovan; Clifford; **(2nd row)** Brock; Allen; Newton; Symmonds; Strycharz; Levey; Sloane; Askin; **(3rd row)** Mr. Cardone, head coach; Percoski; Tower; Monchun; Weiss, co-captain; Gustafson, co-captain; Anderson; Joseph; Rogovin; White; Mr. Wilkinson, assistant coach

Steve Weiss on the defense

"That's not **their** goal; it's **ours!**"

Co-captains, Gustafson and Weiss with Coach Cardone

Mike Symmonds, Midfield

Monson Academy's 1967 lacrosse team had a very good season, although its 1-6 record doesn't show it. Most of its losses were "heartbreakers". Such a game was the 5-3 loss against Cranwell which ended in a double overtime. The 5-4 loss at the hand of Williston was of the same type.

Monson's 5-0 win came in the last game of the season against Cushing. This was the first shutout in the Academy's lacrosse history and it exemplifies the fine job done all season by the goalie, Terry Sloane.

Captain Carl Gustafson was high scorer for the year, followed closely by Mike Symmonds and Charlie Anderson. John Brock and Wayne Strycharz did a fine job of setting up plays from the attack.

The defense was led by captain Steve Weiss who was injured during the Deerfield game and whose loss was sorely felt. Buzz Joseph and Dave White rounded out the staunch defense.

The midfield was led by seniors, Tom Percoski, Carl Gustafson, Lee Askin, and Bruce Tower, who showed exceptional playmaking ability.

VARSITY BASEBALL

(1st row) Pikul, co-captain; Cohen; Tobler; Schulman; Trask; Lalli; Polopek; **(2nd row)** Maker, manager; Zarkowski, Cignoli; Steinberg; Griswold; Mason; Johnson; **(3rd Row)** Symonds, manager; Hoos; Degnan; Howland; Mr. Harrell, coach

The varsity baseball team enjoyed a very respectable season this year compiling a record of four wins, three losses, and two ties. Most players were new to the team, although not to the sport, and Mr. Harrell did a fine job of molding them into a team.

Among the most outstanding players were Ron Trask and Tim O'Reilly. Trask proved to be a truly outstanding pitcher, although the team did not win any of the games in which he pitched but not through any fault of his. In addition to his fine pitching Ron also batted 500 during the season. Tim O'Reilly, known for his curve and knuckle ball, proved to be another fine pitcher striking out 20 out of 21 players against Avon Old Farms. Pete Lalli also proved to be a valuable asset to the team as a utility man playing third, short stop, pitcher and catcher with equal ability. Other seniors who played a fine game throughout the season were Tony Pikul, Bill Tobler, Bill Polopek, Bruce Cohen, Zack Schulman, Gene Griswold, Milt Hoos, Mark Cignoli, and Andy Steinberg.

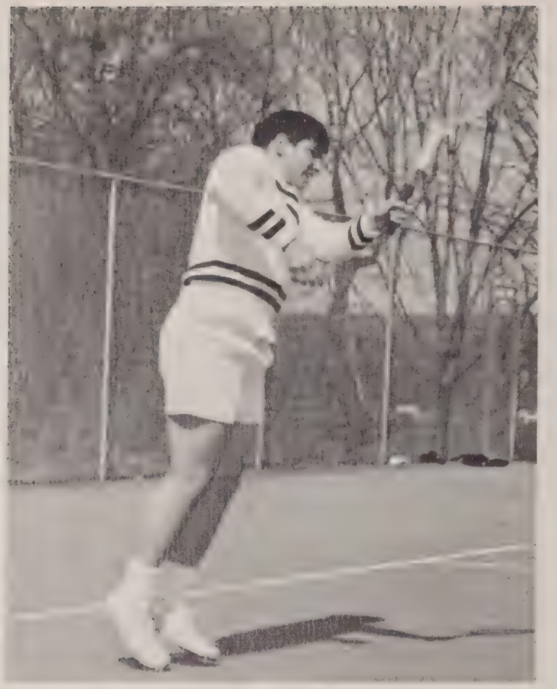
VARSITY GOLF

(1st Row) Co-captains, Katz and Roller; **(2nd Row)** Olender; Styler; Kellum; Greene; Quintal; **Mr.** Robinson, coach

Although varsity Golf did not have a very successful season, it was not due to the lack of enthusiasm or talent among the golfers. The major problem stemmed from the fact that Monson was faced with excellent competition from larger schools. In addition, Monson had only two returning lettermen, Frank Katz and Eric Roller. Despite the handicaps and defeats, however, the team scored well in many of its matches and Mr. Robinson is looking forward to a more experienced squad next year.

Katz drives to the green



Joe Goldys, captain

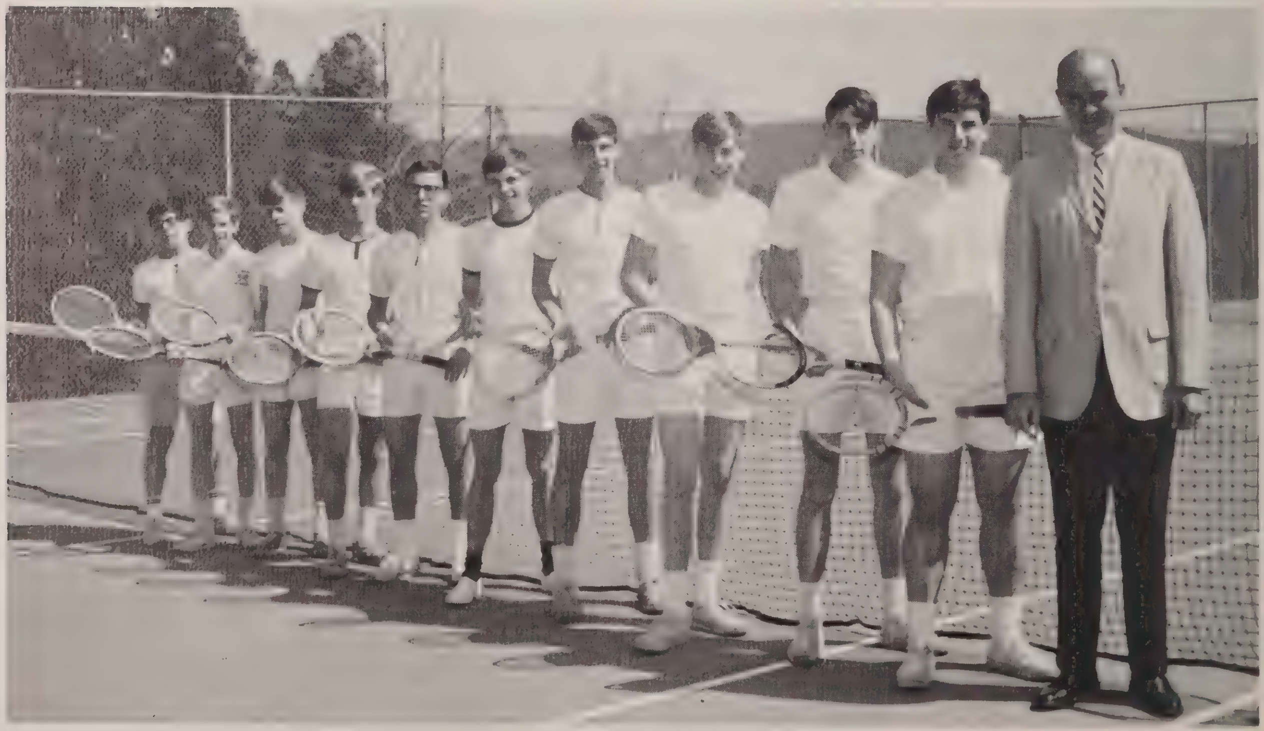
Coaches watch a close match

VARSITY TENNIS

The varsity tennis team began its season with much inexperience. First year men included Dave Mitowski, Seth Schwartz, Henry Ferrini, and Peter Slater. Returning lettermen were captain, Joe Goldys, Joel Margolis, and David Bestor.

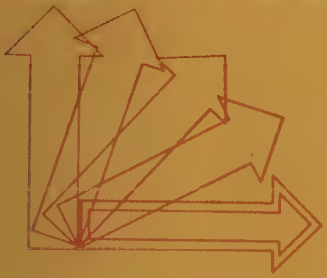
By the end of the season, under the able direction of Coach Carey, the team was molded into a winner.

Strong doubles combinations were Ken Machol and Craig Auchter, Joe Goldys and Dave Bestor, and Dave Mitowski and Joe Wenskoski.



Ferrini; Schwartz; Auchter; Slater; Margolis; Bestor; Mitowski; Wenskoski; Roberts; Goldys; Mr. Carey, coach

ACTIVITIES



The students at Monson have found new horizons in comradeship and togetherness. Both in the classrooms and dormitories we have led a very active and full year. Time has been occupied by stimulating and enjoyable activities. The newly instituted Winter Carnival has been an overwhelming success and has been added as an annual event on the activities schedule. A pep rally; dances; movies; programs; a talent show; have made this year a rewarding one at the Academy.

Victory for Strohmeier

The New England Interscholastic Wrestling Tournament was held at Monson Academy on February 25, 1967. Out of a field of ten teams, Monson's Lions placed fourth with a total of 58 points; twenty behind leader Winchendon's 78.

Individually, several Monson wrestlers made fine showings. Mike Symmonds became New England champion in the 167 class by defeating five consecutive opponents. Second place winners were Robert Strohmeier at 115, Mark Pekala at 145, and John Levey at 177. Third place winners included Lonnie Allen at 127 and Bruce Tower at 152.

The success of the tournament must be attributed to the hard work of Mr. Phillip Cardone who organized the tournament.
